

Invitation Letter

Paper ID: 742

Authors: Yuzhe Zhang, Yuhang Du, Linqi Sun, Chenhan Zhang, Yingxu Lai

Paper Title: DynaFlow Logic Transformer: A Neuro-Symbolic Approach to Industrial Control System Intrusion Detection

Dear Yuzhe Zhang, Yuhang Du, Linqi Sun, Chenhan Zhang, Yingxu Lai:

Your above oral/poster paper has been accepted by 2025 International Conference on Intelligent Computing (ICIC 2025), which will be held on July 26-29, 2025, Ningbo, China. We are very glad to invite you to attend this great conference this July. Now the copyright of this paper has belonged to ICIC 2025, please do not submit it to other journals or conferences. Please see the website <http://www.ic-icc.cn/2025/> in order to register for the conference. This letter does not commit ICIC 2025 Organizing Committee to any legal responsibility for your conduct or to your financial support of any kind. Participants must register and cover their own expenses to attend the conference.

We look forward to seeing you at the conference.

Sincerely Yours
ICIC 2025 Organization Committee
